

Song: "Lucky"

Album: Reckonings (2023 Release by Eric Kilburn)

No one ever followed me around a store
I don't get asked, "Where you get that car?"
Never heard the words, "Are you sure you can pay?"
I guess I'm just lucky that way

I don't get praised on how well I speak
Never been asked "What do white people think"
Don't know what it's like to wake up angry every day
Guess I'm just lucky that way

Chorus

Guess I'm just lucky, thank you very much
Everything's just ducky, I'm just such
A lucky

Never taught my children what to do if they're stopped
They never learned to be afraid of cops
"Both hands on the wheel son, and remember to pray"
Guess I'm just lucky that way

Never felt a pistol up against my back
Never felt a knee upon my neck
Never had the feeling that my life was in play
Guess I'm just lucky that way
