

Song: "She Do"

Album: Reckonings (2023 Release by Eric Kilburn)

I don't know why she loves me but she do
All the things I put her through
You might call me crazy but most days she seems to
I don't know what she sees in me
It's one of life's mysteries just to name a few
I don't know why she loves me but she do
I have known her most of my life
I never thought there was a chance she'd be my wife

I love the way she rolls her eyes
I don't why she acts surprised
When I do the dishes and clean up after myself too
I got a little notion if I play it right
A little sweet emotion come my way tonight and it's true!
I don't know why she loves me but she do

I ain't the best lookin' man she ever met
But I gave her a kiss she did not forget

I don't know why she loves me but she do
It all depends on your point of view
Give her a minute, she'll tell you a thing or two
I'm a long way from perfect if you take a short look
She says "Honey, I could write a goddam book, maybe two"
I don't know why she loves me but she do

I'm not the cleanest dog in the yard
But if you give me a chance, I will try real hard
(Repeat first verse)
