

**Song:** "You Just Know"

**Album:** Reckonings (2023 Release by Eric Kilburn)

Some Things Some Times

Rabbit in a briar patch, he ain't coming' out  
Knows he'd be an easy catch in that hungry fox's mouth  
Rabbit won't come out, fox he can't come in  
Fox gives up and saunters off, says "Hope I see you you again"

( Chorus)

Some things we learn so slow  
Some things we just know  
Some times the truth will get ya  
Some times you don't know what hit ya

Rich man sittin' on a pile of gold in his mansion on the hill  
All the trophies in this world, and he's not happy still  
Poor man smiling ear to ear in the relief line  
Got no money, got no fear, happy all the time

( Chorus)

Met you in that old bookstore, knocked me on my duff  
That was 40 years ago, I still ain't gotten up  
Momma tell me pretty lies, whisper in my ear  
I see you in that summer dress, come on over here
